

Chocolate Garnish Course Notes

Chocolate curls, shavings, garnish shapes and dessert decoration

Practice Type	Chocolate garnish sets
Level	Intermediate
Main Outcome	Make neat chocolate decorations

Ingredient & Tools List

Item	Type	Qty for 1 count	Wastage	Pack Size	Pack Price
Dark Chocolate Compound	Ingredient	150 g	8%	1000 g	Rs. 280
White Chocolate Compound	Ingredient	80 g	8%	1000 g	Rs. 300
Cocoa Butter / Color	Ingredient	10 g	5%	100 g	Rs. 250
Butter Paper / Acetate Sheet	Consumable	2 sheets	0%	1 sheets	Rs. 12
Chocolate Scraper	Reusable Tool	1 pc	0%	1 pc	Rs. 80

Step-by-Step Practice Instructions

1. Melt chocolate gently and keep it smooth.
2. Spread thin layer on acetate/butter paper.
3. Shape curls, shards, decorations or simple garnish designs.
4. Allow chocolate to set properly.
5. Use garnish for cakes, desserts and plated presentation.

Pro Tips

- Avoid water drops in chocolate.
- Work in a cool room for better setting.
- Use scraper slowly for clean curls.

Course Calculation Guide

Enter Count	Enter how many students, cakes, practice sets or batches you want to prepare.
Total Qty	Qty per count x Count.
Wastage %	Extra quantity added for mixing, sticking, spilling or practice loss.
Final Buying Qty	Total Qty + wastage. This is the quantity to arrange/buy.
Cost Used	Final Buying Qty / Pack Size x Pack Price.
Optional Revenue	Enter selling amount or course collection to see Profit = Revenue - Total Buying Cost.

Example Calculation for Customer

Item	For 1 count	For 2 counts	With wastage
------	-------------	--------------	--------------

Dark Chocolate Compound	150 g	300 g	324 g
White Chocolate Compound	80 g	160 g	172.80 g
Cocoa Butter / Color	10 g	20 g	21 g
Butter Paper / Acetate Sheet	2 sheets	4 sheets	4 sheets
