

Piping Masterclass Course Notes

Nozzle control, rosettes, borders and cupcake/cake finishing

Practice Type	Piping practice sets
Level	Beginner friendly
Main Outcome	Control pressure and finish neat designs

Ingredient & Tools List

Item	Type	Qty for 1 count	Wastage	Pack Size	Pack Price
Whipping Cream	Ingredient	250 g	10%	1000 g	Rs. 220
Icing Sugar	Ingredient	50 g	5%	1000 g	Rs. 90
Piping Gel	Ingredient	20 g	5%	500 g	Rs. 120
Piping Bags	Tool	2 pcs	0%	1 pcs	Rs. 8
Practice Cupcakes	Practice Base	4 pcs	0%	1 pcs	Rs. 18
Nozzle Set	Reusable Tool	1 set	0%	1 set	Rs. 120

Step-by-Step Practice Instructions

1. Prepare buttercream/whipping cream to pipeable consistency.
2. Fix nozzle inside piping bag and fill only half the bag.
3. Hold bag at correct angle and apply even pressure.
4. Practice stars, shells, rosettes, borders and writing.
5. Clean edges and finish cupcakes/cakes neatly.

Pro Tips

- Do not overfill piping bag.
- If cream becomes loose, chill for a few minutes.
- Practice pressure control before decorating final cake.

Course Calculation Guide

Enter Count	Enter how many students, cakes, practice sets or batches you want to prepare.
Total Qty	Qty per count x Count.
Wastage %	Extra quantity added for mixing, sticking, spilling or practice loss.
Final Buying Qty	Total Qty + wastage. This is the quantity to arrange/buy.
Cost Used	Final Buying Qty / Pack Size x Pack Price.
Optional Revenue	Enter selling amount or course collection to see Profit = Revenue - Total Buying Cost.

Example Calculation for Customer

Item	For 1 count	For 2 counts	With wastage
------	-------------	--------------	--------------

Whipping Cream	250 g	500 g	550 g
Icing Sugar	50 g	100 g	105 g
Piping Gel	20 g	40 g	42 g
Piping Bags	2 pcs	4 pcs	4 pcs
